LET S HAVE FUN WITH POETRY EBOOKS 2019

Author: Mary Ann Wagner

Release Date: Expected @@expectedReleaseDate@@

In the world of poems, little children everywhere find a connection to each other and to the natural world. Poet Mary Ann Wagner has seen an awful lot living out in the country, and she shares her magical world with young readers who'll fall in love with the singsong melody of playful verse.

First, meet the bees, the bears, and even a fun-loving turtle. Learn lessons like how to find the right words to rhyme and why you really shouldn't jump on the bed. There's a song about a thumb and even a little girl princess. Find out why it's so important to share, and even see how kids aren't the only ones with best friends-animals have them, too!

Let's Have Fun with Poetry is a collection for the young and young at heart as Wagner paints a lively picture of the natural world around us, so often overlooked. It's time to slow down and take a look at the sky. Dance, sing, and play little games with the help of this cheerful prose and find your day brightened by the simpler things.
