POPULAR CHILDREN TALES OF HEINRICH HOFFMAN ILLUSTRATED EBOOKS 2019

Author: Heinrich Hoffman

Realese Date: Expected @@expectedReleaseDate@@

A German psychiatrist, who also wrote some short works including Der Struwwelpeter, an illustrated book portraying children misbehaving. Hoffmann published poems and a satirical comedy before, in 1845, a publisher friend persuaded him to have a collection of illustrated children's verses printed which Hoffmann had done as Christmas present for his son. The book, later called Struwwelpeter after one of its anti-heroes, became popular with the public and had to be reprinted regularly; many foreign translations followed. "Struwwelpeter" was not perceived as cruel or overly moral by Hoffmann's contemporaries.

His satires show his strong skepticism towards all kinds of ideology and his distaste for religious, philosophical or political bigotry. Even in Germany, he is today largely remembered for his Struwwelpeter.

Contents

Struwwelpeter: Merry Tales and Funny Pictures

Slovenly Betsy

Slovenly Betsy (Illustrated)

This turn-of-the-century Americanization of the famous morality tales of Dr. Heinrich Hoffman is sure to please the darker side of older girls. Not for the faint of heart, these tales, though classics, are the stern stuff of a Victorian era, which in today's light can be quite entertaining. The poems and pictures do get their point across about different behaviors.

Best ebook you should read is Popular Children Tales Of Heinrich Hoffman Illustrated Ebooks 2019. You can Free download it to your laptop through easy steps. ONEGENGO.COM in easy step and you can FREE Download it now.
